2012 Poster Sessions will be held from Monday afternoon to Friday morning, in Hall Bordeaux (3rd floor), in 2 partitioned areas.

Due to the great interest aroused by Poster Sessions during the last CIGRE Session in 2010, it was considered that the 16 Study Committees should have the possibility to volunteer to have a Poster Session, instead of 6 in 2010.

So the Poster Sessions will be organized on level 3, in Hall Bordeaux. We will create 2 separate partitioned areas.

All Study Committees will participate over one half-day, according to the following schedule:

<table>

<th>14H30 – 18H00</th>

Each author whose Paper has been selected for the Session will have the opportunity to take part.

It means that there will be no prior selection by the SCs before posters.

For accommodation capacity reasons, (as 18 Papers can be presented simultaneously for each Study Committee), the Poster Session will be divided into 2 time slots of “one hour and half”: the 1st time slot from 9.00 to 10h30, and the 2nd one from 11h00 (after the coffee break) to 12h30.

Usually the 2 groups are defined according to the Papers reference numbers as well as to the preferential subjects.
Each author will have at his disposal 2 paper boards (AO format = 85 cm wide X 120 cm high) for his presentation, which must be thus of AO format.

Study Committees may appoint conveners for the poster session, to coordinate the preparation of the poster session with the Central Office, but also to receive the attendees (authors and visitors) during the poster and to make sure that the 2 time-slots are strictly observed by the participants.

No microphones, laptops or video projectors are made available to keep the informal aspect of the Poster Sessions.

Authors are strongly encouraged to prepare attractive presentations for a lively discussion (Figures more appropriate than text). Background colors should be also avoided.

We wish to remind authors that it is a Cigre Poster and consequently should not be misused as advertisement for the companies or products. Company logos can be used, but should not be conspicuous, and should appear only once.

2 templates are appended, which can be of help.

The first one is PDF format, and the second one in PowerPoint format A0, ready to use.

the size of the fonts could be:

- title: Calibri, 65 pt., fat, max. 2 lines
- name(s) of author(s) and institution(s): Calibri, 30 pt.; separate lines for author(s) and institution(s)
- headlines: Calibri, 60 pt., fat; it is recommended to use the given headlines
- text: Calibri, 40 pt., interspace: 30 pt. previous to each bullet point.

Templates in ppt or pptx format A0 are also available on our website.

Authors are also asked to confirm their intention to participate. However, facilities will be provided for each author, whether he has confirmed or not his participation.
