### **APPLICABLE LAW**

The 2 official languages of CIGRE are statutorily French and English.

CIGRE being a French Association, in case of litigation, the applicable law is FRENCH LAW, and CIGRE French official texts in French language will prevail.

### **INVOICING**

Taking into account our status as a nonprofit making Association, see Chapter **LEGAL INFORMATION** above, CIGRE is not subject to VAT. The invoices which we issue show a VAT line as 0%.

European members of CIGRE and non-members must thus pay VAT at the rate applicable in their country on the sums invoiced by CIGRE; they will later recover this VAT according to recoverable VAT. This will nullify the VAT operation, i.e. VAT equal to zero.
