

## 2<sup>ND</sup> INTERNATIONAL IEC/CIGRE SYMPOSIUM ON STANDARDS FOR ULTRA HIGH VOLTAGE (UHV) TRANSMISSION

The objective of this 2<sup>nd</sup> IEC/CIGRE 2009 Symposium (New Delhi - India), which comes after the IEC/CIGRE Symposium held in Beijing (2007), is to collect and share information on the current state of the art in UHV transmission technologies and the progress of UHV transmission standardization. It is intended to make recommendations on what UHV standards the market requires and provide guidance in the development of UHV standardization.
