

## Marketing opportunities

Next DEMSEE event promises to be another outstanding conference. This conference is expected to draw to Sitia (Greece) more than 150 energy/ utility professionals, businessmen and academics to get up to date and share the latest from the electric energy sector. You can also join us as a sponsor or an exhibitor at DEMSEE 2010. The DEMSEE Conference offers your company excellent opportunity for meeting existing and potential customers, whether you are already doing business in the South Eastern Europe region or taking your initial steps. It is an ideal opportunity to increase visibility and maximize the exposure of your company within the energy sector in the SEE region.

## Sponsorship opportunities

There are different sponsorships available to companies that want to promote themselves at the DEMSEE 2010. Recognizing that sponsors have different needs, we try to tailor sponsorships to individual needs of sponsors. For a detailed discussion and breakdown of the aspects you are most interested in, please contact us at S.D.O.

## Exhibition opportunities

A commercial exhibition will also be available at the conference hall.
