The rooms will be available from 8.30 in the morning. The Poster Sessions run from 8.45 to 12.00 in 2 time slots (see table above). Consequently, authors from the first group are kindly requested to strictly observe the time schedule so that the boards could be cleared by 10.30 at the latest for the second group of authors.

Boards are to be used in accordance with the Session Paper reference which will be clearly indicated.

## **Recommendations for presentation**

- Authors must have their Posters prepared in advance.
- They have to stay near by, to answer questions from delegates.
- Authors are strongly encouraged to use large fonts, for better legibility, preferably on A3 sheets or larger size.
- Figures may be more appropriate than text. If used text must be short.
- Copies of presentations (in A4 format) may be handed out to delegates during the Posters.
