

## CIGRE DISTINGUISHED MEMBERS' LIST BY COUNTRY

### **CIGRE « Distinguished Members »**

The “Distinguished Member” title is granted to a number of long-standing members who have contributed to the Association through participation in the technical work or within the National Committees.

Proposals for nominations are put forward by National Committee Chairmen every two years and are approved by the President of CIGRE.

This award was introduced in 1996.

### **Membres Eminents » du CIGRE**

Le titre de « Membre Eminent » du CIGRE est accordé à un certain nombre de membres de longue date pour les récompenser de leur fidélité ainsi que de leur contribution à l’Association, soit à travers leur participation aux travaux techniques, soit au sein de leur Comité National.

Les candidatures sont proposées par les Présidents des Comités Nationaux tous les deux ans, et sont approuvées par le Président du CIGRE.

Cette distinction existe depuis 1996.
